IT'S SO EASY
TO INSTALL TILE YOURSELF!

Beautitile MAKES THE FINEST WALLS

You'll have a bathroom that sparkles with beauty and glows with color... when you apply Beautitile... that amazingly durable and outstandingly attractive plastic wall tile. One of the best investments in home improvement you can make. Beautitile is extraordinarily strong... resists tremendous wear... and turns old rooms into new... so easily, so inexpensively. Beautiful modern colors last forever... because color is all through the tile—not just on the surface. Herringbone back and support studs insure that tile stays on permanently. Won't chip, warp, peel, or discolor. Ideal for kitchen and recreation room, too... and practically anywhere in the house. In many decorator colors... for all sorts of exciting combinations. More economical than other tile. Install it yourself and save even more! Each tile $4\frac{1}{4}'' \times 4\frac{1}{4}''$.

ORIGINAL BEVELED EDGE *Beautitile* BUDGET PRICED 41c Sq. Ft.

ASPHALT, RUBBER, AND VINYL FLOOR TILE

Give your rooms a new sparkle... create that cozy atmosphere so inviting to guests... so appreciated by the entire family. A variety of colors... easy to care for and to install.

NEW DESIGN! NEW BEAUTY! NEW CONVENIENCE!

You can have a bathroom that's as up-to-date as your living-room! It's easy — and inexpensive, too — when you select National's Lavalette . . . the most versatile bathroom unit you can own. You'll enjoy the broad, spacious Formica top — available in your favorite color — that gives you all the room you need for toilet and shaving articles . . . and the two handy drawers, covered with Formica to match the vanity top, for cosmetics, facial tissues, brushes, other grooming aids. The lavatory itself is a jewel of modern styling . . . durably fabricated of genuine vitreous china with a gleaming, highly glazed finish that won't stain or discolor . . . is impervious to acid-action. And you may obtain the lavatory in pastels, as well as white, to harmonize with your bathroom color scheme. The complete ensemble consists of a 22" x 18" white lavatory with snap-action, pop-up plug and a colorful Formica top set on chrome-plated brass legs. Vanity bench with matching Formica top available at slight additional cost.

S3-N2344C CABINET VANITY →

National's sparkling vanity ensemble is truly a marvel of modern manufacture. Each National vitreous china lavatory reflects the highest skill and styling . . . carefully fabricated of selected ceramics and vitrified in huge tunnel kilns. The smooth, sparkling surface is stain-proof and acid-resistant . . . keeps its lustre despite constant use. And National vanity cabinets similarly reflect the best in craftsmanship. Sturdily built of quality hardwoods . . . beautifully finished in gleaming glass enamel. This practical cabinet has a colorful Formica top . . . cosmetic drawer . . . door compartment with two sliding trays. Lavatory, cabinet, and top are available in a variety of harmonizing colors. Complete ensemble, 44" long . . . **\$119.50**

S3-N3623 COMPACT VANITY LAVATORY

More and more homeowners throughout the country are discovering how useful vanity ensembles can be. You too will be surprised at the difference a vanity can make . . . and how easy it is to install. For example, the compact, space-saving ensemble shown above can be installed practically anywhere . . . an awkward spot under the stairs where it will mean welcome convenience for your guests . . . an unused closet that will emerge as your own private powder-room . . . and in your bathroom . . . dressing room . . . bedroom. This colorful ensemble is complete with a white 22" x 18" vitreous china lavatory equipped with chromed mixing faucet and pop-up plug . . . Formica top, in a choice of colors, set on chromed brass legs. Vanity bench with matching Formica top available at additional cost. 36" overall length. **\$79.95**
 Colored lavatories slightly higher

S3-N2342C FINELY CRAFTED—SUPERBLY STYLED

Contemporary furniture design adapted by National as a gem-like setting for its 22" x 18" vitreous china lavatory. Three-drawer cabinet of selected hardwood, in a choice of colors. Complete ensemble includes white vitreous china lavatory with chromed mixing faucet and pop-up plug . . . Formica top with chrome tubular leg. 42" overall length. **\$124.75** →

← S3-N2340C VERSATILE VANITY ENSEMBLE

Modern cabinet-type vanity wonderfully suitable for bathroom, powder-room, or dressing-room. Sturdy steel lavatory with chromed mixing faucet and colorful Formica top. Hardwood cabinet finished in glass enamel, available in several colors. Handy drawer and compartment with two sliding drawers. Plenty of room for toilet articles. 40" overall length. **\$124.75**

EXTRA BATHROOM
CONVENIENCE
YOU REALLY NEED!**

Install National's compact fixtures — such as the space-saving lavatory and space-saving toilet unit illustrated at left — and convert a closet . . . under-stairs area . . . or any small space . . . into a handy, auxiliary powder-room.

**IDEAL FOR
SERVANTS' QUARTERS.**

Now, for the first time — an ensemble that will fit into a space previously too small for toilet facilities. Only . . . **\$59.88**

PRICES OF ALL ENSEMBLES ON THIS AND THE OPPOSITE PAGE INCLUDE BATHTUBS, LAVATORIES and TOILETS COMPLETE with QUALITY FITTINGS as ILLUSTRATED AND, LIKE ALL NATIONAL PRODUCTS, ARE FULLY GUARANTEED FREE OF MANUFACTURING DEFECTS.

National's cast-iron fixtures are sturdily constructed of rugged cast-iron — and covered with three heavy coats of lustrous, vitreous enamel, permanently bonded for durability. With only minimum care they will give a lifetime of satisfaction.

All National cast-iron and vitreous china plumbing fixtures — manufactured in National's huge, modern plants — comply with all the requirements and tests of Commercial Standards CS77-51 and CS20-49, as developed by the Trade under the procedure of the National Bureau of Standards and issued by the United States Department of Commerce. Not all plumbing fixtures can meet these exacting standards. When you buy plumbing fixtures, be sure that you select fixtures of highest quality. Insist on National — quality fixtures at prices you can afford.

NATURAL BIRCH FINISH

S3-N842132

Here you find a big, attractive, 84-inch deluxe ensemble in a rugged hardwood cabinet of natural birch—pleasantly complimented with a roomy expanse of colorful, continuous top—wide enough to allow stacking on both sides. Here too, the National, double-bowl, acid-resistant, cast-iron sink with chromed fittings, stresses the happy combination of today's desire for utility, convenience and beauty in the kitchen. Many other sizes and styles. Stop at our store for a free estimate on cabinets or complete kitchens. **\$255.00**

National hardwood cabinets are available in White, Natural Birch, and four warm pastel colors... to harmonize with any decorating preference... at a price to suit your budget. See them at your National dealer.

SPECIAL WOOD CABINET CONSTRUCTION FEATURES

1. Long inside corner cleats, set in glue, with additional screw fastenings, hold facings straight and rigid.
2. Tops and bottoms are dadoed into ends and grooved into front and back rails. Wide back rails facilitate hanging of wall cabinet.

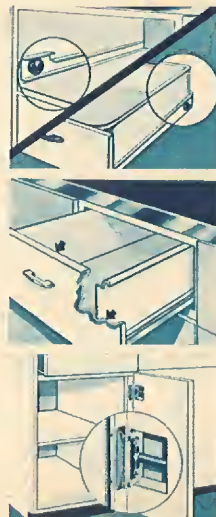

3. Wall cabinet facings are held securely in place by heavy cleats set in glue and other fastenings.
4. Rigidity of wall cabinets is increased by means of full length tongues on ends, glued into grooves of front and back frames.

FEATURES OF NATIONAL STEEL CABINETS

Toggle-type hinges with added reinforcement for extra strength. Spring tension keeps doors securely closed or open. Rubber bumpers prevent banging.

Cabinets are of cold-rolled steel, rustproofed and finished in smooth, sparkling enamel. Sturdily built and modernly designed. Sound-proof doors and drawers.

Rounded, one-piece seamless, easy-rolling drawers of a special rust-resistant steel. Design eliminates dust-catching crevices... makes cleaning easier. Easy-grip handles.

ALL PRICES IN THIS CATALOGUE PREVAILED UPON PUBLICATION. WE RESERVE THE RIGHT TO MAKE ADJUSTMENTS IN PRICES OR MATERIALS IF ECONOMIC CONDITIONS OR GOVERNMENTAL REGULATIONS NECESSITATE SUCH ADJUSTMENTS.

THE *National* LINE

OF OUTSTANDING CABINET SINKS AND ENSEMBLES

Of all the sinks you can buy, your National lifetime cast-iron sink will give you the most durability and value at the lowest cost. For National's purpose is always to produce quality fixtures at a price you can afford.

National's flat-rim sinks are of the highest quality, conforming to the exacting requirements and tests established by the U. S. Bureau of Standards. They are made of sturdy cast-iron, triple-coated with heavy acid-resistant vitreous enamel. They fit any wood or steel cabinet . . . and are ideal for step-saving continuous top arrangements. Available in both white and pastels.

Whatever type of kitchen you prefer, you'll find that your National cast-iron sink will lend itself to many attractive and time-saving combinations. See pictures and prices on opposite page.

Kitchen layout and design consultation free!
Let us help you save money on a beautiful modern kitchen. We will make the complete installation—or you can install it yourself and save even more.

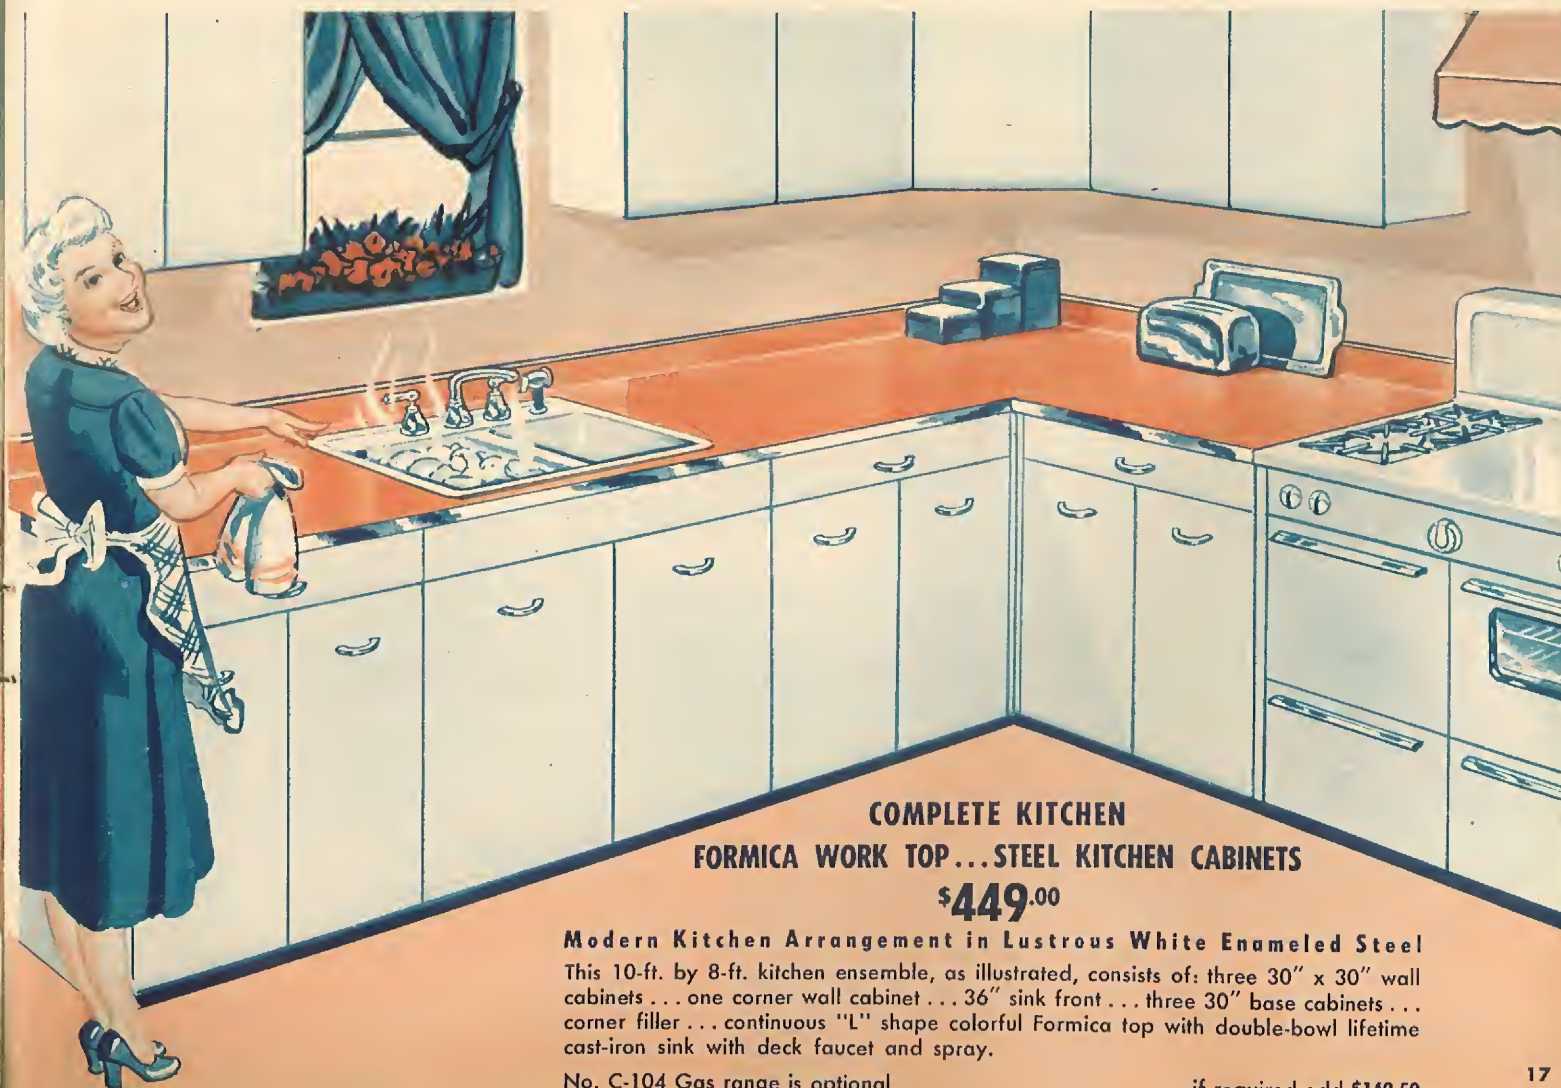

PRACTICAL PLASTIC COVERINGS TO HIGHLIGHT YOUR KITCHEN'S BEAUTY

Nothing adds more to the beauty of your kitchen than a colorful Formica covering for your countertops. And National has a wide variety of attractive plastic materials that are ideal for countertops. They are available in many striking colors to blend with any decorating. Your National dealer will be happy to show you a comprehensive selection and will give you full details. And the size and shape of your kitchen can be estimated in a few minutes while you wait!

SO EASY TO INSTALL — ANYONE CAN DO IT!

S3-728-C KITCHEN CEILING FAN

Why put up with unnecessary heat in the summertime? Here's a top-notch 7" ceiling fan that eliminates kitchen heat and offensive cooking odors. Electrical mechanism pulls air outside before it circulates through the rooms. Prevents kitchen from getting unduly warm during prolonged use of range. Easily installed in any kitchen

\$25.50

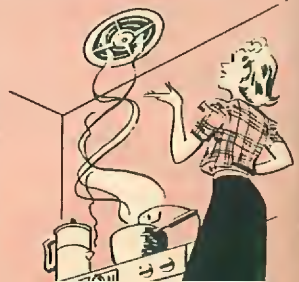

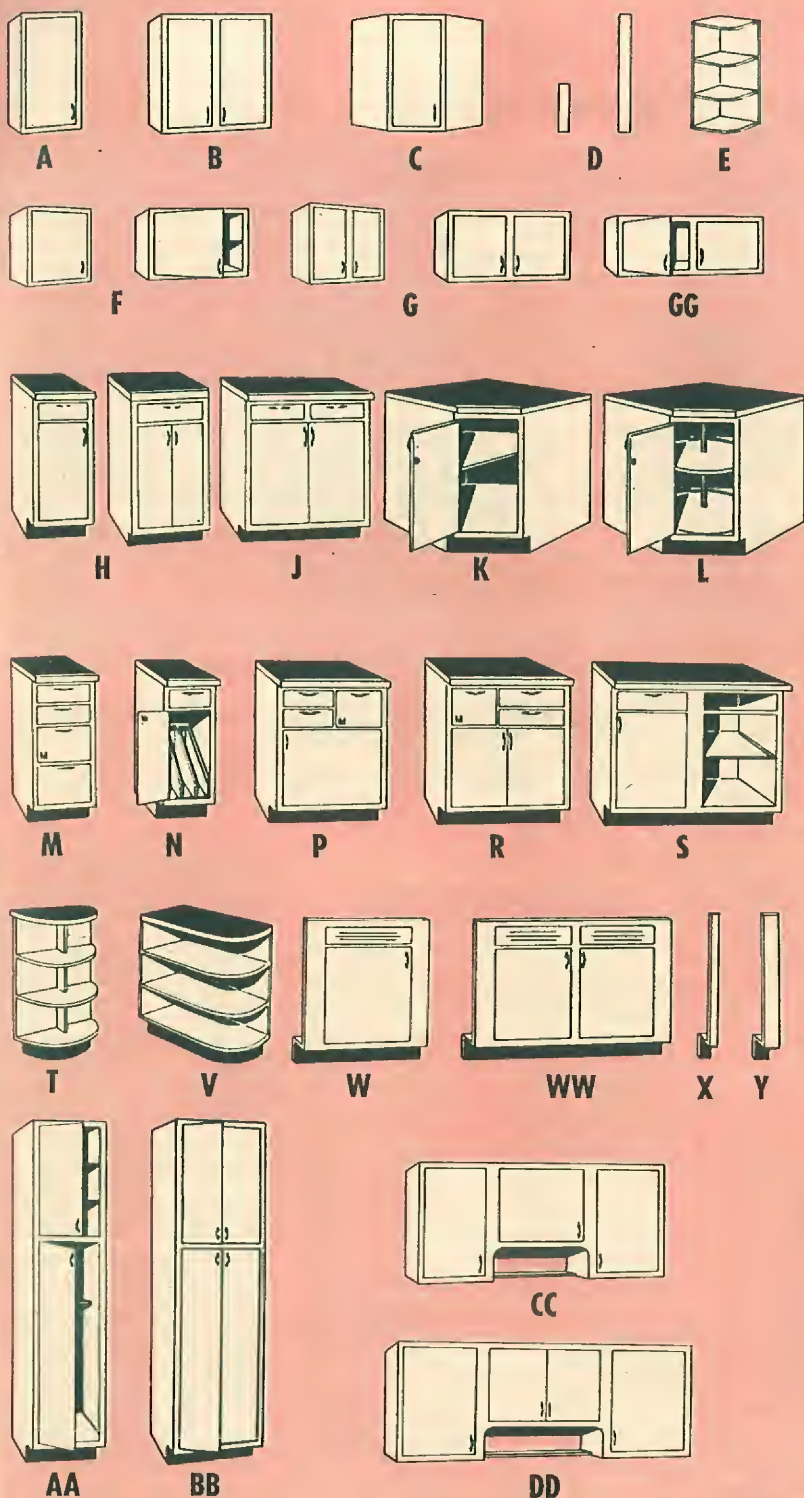

KITCHEN WALL FAN

S3-847-W

You don't have to suffer from stifling kitchen heat! This 8" electrically operated exhaust fan pulls large quantities of air outside, banishes unpleasant odors. Easily installed in any wall thickness. Works quietly and efficiently. Essential to any home . . . and a real investment in comfort.

\$24.95

Wall cabinets are 12½" overall depth — the Nos. NX-3018-S, NX-3021-S, and NX-3024-S have one shelf only to accommodate tall articles. Nos. NX-3012 to NX-3042, including No. NX-3023 Corner Wall Cabinet, have three spacious sections each for storage.

Base cabinets have sliding metal shelves. The MR and 4D Series have the upper of two shallow drawers divided for cutlery, and the large drawers marked with (M) are of metal and are vermin-proof for storage of pastries and flour. All base sections are 23" in depth.

The No. NX-TR12 has been added to the line for storage of trays.

The NX-CB44RD and LD although 42" wide require minimum 44" of floor space when used "L" shaped kitchen.

Styled Divider Unit and Base Shelves lend a taste of modern appointment to the kitchen. The NSF Series sink fronts are designed to hide all under-sink fittings — the extra wide rails to be trimmed on the job to insure tight wall-to-wall fitting of the base cabinets.

THE *National* LINE

AIR CONDITIONING
AND VENTILATING
EQUIPMENT

S3-944

WINDOW FAN — 22" BLADES

Here's an easy, inexpensive way to enjoy cool, comfortable air during this summer's hot, sticky weather. Takes only a few minutes to install in the window . . . and at the flick of a switch large 22" blades expel accumulated heat . . . bring in cool, refreshing air. Two-speed feature for adjustable action. **\$72.75**

S3-7720-E COMMERCIAL AIR CONDITIONER

Here's a modern store air-conditioner that provides completely effective air conditioning. Brings welcome coolness during the hot summer months . . . filters dirt and dust from the air. Thoroughly circulates the air in any store or office. Compact and easy to install. Comes with water regulator and plenum chamber. All parts readily accessible for easy repair. May also be adapted for use as heating system. . . . **\$925.00 Up**

S3-DH3A DEHUMIDIFIER

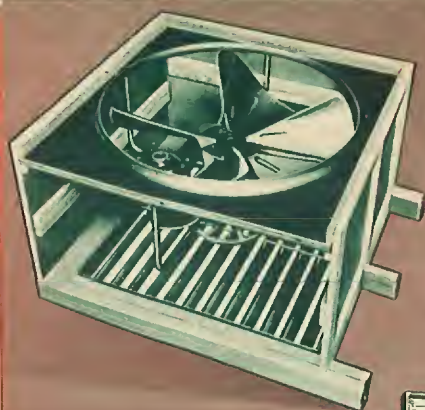

Removes damp air, prevents rust, mildew, corrosion, dampness, and warping . . . in homes, basements, offices. Costs only a few cents a day when in operation. . **\$124.50**

S3-C109 UNIT AIR CONDITIONER

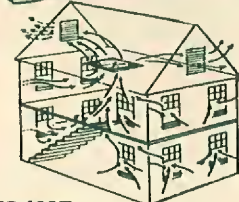

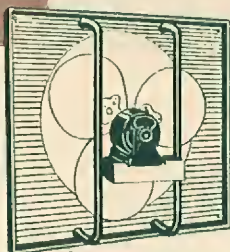

Suspension type air conditioner designed and manufactured to provide ventilation, circulation, filtering, cooling, and heating. And with proper controls, temperatures and humidities can be maintained within prescribed limits.

Ideal for conditioning homes, offices, hotels, stores, and many industrial applications where perfectly controlled temperature and humidity are needed. Adaptable for cooling with cold water or present refrigeration unit, and for heating with steam or hot water. Easily adapted to installation in new or old structures. A thoroughly efficient, dependable, and economical conditioner. Single- or double-blower units. **\$395.00 Up**

S3-822 CEILING ATTIC FAN

So light and easy to handle that one man can install it. An entirely new idea in attic fans. No more cumbersome, unwieldy units. This fan comes in a compact, lighter, easier-to-handle package. Assembly is easy — cuts installation costs in half. Noise-proof motor . . . no need to install canvas or felt seals. Occupies minimum of space in ceiling to the attic . . . requires no special construction. 22" fan removes great volume of air. 110-volt, single-phase, 1/4 h.p. motor runs on ball-bearings that never need oiling. One of the most practical investments in home comfort you can make. Complete with ceiling shutter. **\$79.88**

S3-103 TABLE FANS

Inexpensive, portable, oscillating. Provide immediate heat relief. Available in sizes from 10" to 16" in diameter. **\$15.95 Up**

S3-8120 HOME AIR CONDITIONER

For cool comfort throughout the entire home. Will give you a refreshing temperature even on the hottest days. Simple to operate. Unit controls are hidden under hinged name-plate. Three-position switch permits two stages of operation — for cooling or re-circulating. Built-in thermostat for automatic temperature control. Heavy glass fibre lining throughout insures sound and thermal insulation. Attractive cabinet finished in grey-green enamel . . . blends with most modern surroundings . . . compact, takes little space.

Quickly and easily hooked to your present warm air furnace. Motor-compressor is guaranteed for five years — other parts for one year. Enjoy a really comfortable summer . . . ask about this outstanding unit today — there is a size to meet your own particular requirements.
